

Speedometer Housing & Driven Gear

Order Form

Thank you for purchasing a Performance Automatic transmission. When this transmission was built we did not include the drive gear, speedometer housing and driven gear. Most customers transfer the drive gear, speedometer housing & driven gear from their old transmission to the new Performance Automatic unit.

If you need a drive gear, speedometer housing and driven gear, please complete the following information and fax, e-mail or mail it to Performance Automatic, along with a copy of your selling dealers receipt/invoice and we will send you the gears best suited for your application at no charge.

This offer is only for new purchases.

Part Number purchased _____ Selling Dealer _____

*Serial Number _____ Date of Sale as shown on Invoice _____

Rear Gear ratio _____ Rear tire diameter or size _____

Shipping To:

Name _____

Address _____

City _____ State _____ Zip Code _____

Phone Number _____

*Serial Number can be found on the transmission build sheet that was in a plastic bag zip tied to the top bellhousing bolt hole. Must be provided to process your order.

Many speedometer gears are no longer available new. The gears you receive may not be new but are deemed as "acceptable" for use.

Only limited driven gears will be available for 2004R. They have been out of production for many years and are in limited supply.
